98-170 and NSD File No. L-00-72.

Dear FCC:

I understand that there is a pending law or regulation which would substantially increase fees on those using wireless communication. I do not feel that this is necessary, since the fees I am already paying are substantial enough in their own right. I would ask that these additional fees not be implemented.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,
